

My Direct Licensing Policy (Public Performance and Communication) – Dan Lynch

1. This is the direct licensing policy of Dan Lynch. At present I do not have the capacity to directly license any of my sound recordings or music videos for public performance or communication.
2. Given the legal and administrative costs involved with direct licensing I am unable to offer direct licenses at competitive rates for public performance or transmission. I will review my position every 4 months to consider if I have the capacity to engage in direct licensing.
3. In the meantime, if you require a non licence for the public performance of one of my sound recordings you should contact OneMusic Australia through the website <https://onemusic.com.au> or call 1300 162 162. If you require a licence for the communication of one of my sound recordings, you should contact the Phonographic Performance Company of Australia (PPCA) at www.ppca.com.au or by calling (02) 8569-1100.
4. If you wish to provide any feedback or comments on my direct licensing policy, please email contact@danlynchsongs.com You are also welcome to email contact@danlynchsongs.com to enquire about licensing one of my sound recordings for a use that is not covered by a PPCA licence. Such uses may include but are not limited to: including my sound recordings on a compilation; and/or synchronising my sound recordings for film or television; and/or using my sound recordings in one-off events or campaigns.
